

Rough / Vibration Service

100A/2P/RS 12/2

Philips Family of Specialty Incandescents provide the perfect light for dramatic accents and display lighting as well as general lighting in a variety of applications. Rough Service incandescent lamps have an exceptionally strong filament for which a special filament wire is used, which makes these lamps extremely suitable for places where shocks, bumps and vibrations frequently occur. The clear version, with its completely visible filament, is a brilliant light source, whereas the inside-frosted lamp is used wherever well diffused light is required.

Product data

General Information		Bulb Shape	
Lighting Technology	Incandescent		A19 [A 19mm]
Rated Lifetime (Hours)	2,000 hour(s)	Product Data	
Operating Position	UNIVERSAL [Any or Universal (U)]	Order product name	100A/2P/RS 12/2
Cap-Base	E26 [Single Contact Medium Screw]	Order code	111724
Operating and Electrical		Numerator - Quantity Per Pack	1
Power Consumption	100 W	Numerator - Packs per outer box	12
Voltage (Nom)	130 V	Material number (12NC)	925283534304
Voltage (Nom)	130 V	Full product name	100A/2P/RS 12/2
Mechanical and Housing		EAN/UPC - Case	50046677286908
Bulb Finish	Frosted
