

TO - TORNADO VAPOURTITE

General

Weather resistant and corrosion-free enclosure for strip fixtures with an IP 65/67 rating.

Ideal for exterior/interior applications for food processing plants, pools, freezers and all areas with water vapour or high humidity.

HID Replacement

The Tornado is an excellent and very efficient replacement for HID fixtures in underground parking.

Optional: Specular reflector; SS mounting brackets for convenient "snap-in" mounting.

Housing

The housing is moulded of high-impact fire-retardant polyester.

Lens

Acrylic crepe pattern lens insulated with continuous neoprene gasket and held securely to the body with 6 or 12 sturdy latches. Optional: SS latches; polycarbonate lens.

Electrical

Available with 120V/277V/347V and UNV electronic ballasts

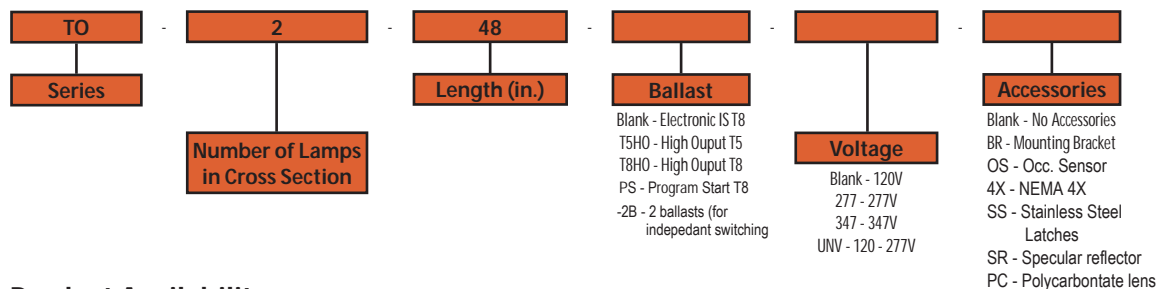

Approvals

CSA-US certified.
Enclosure is NSF, IP65, IP67 listed

**LED TUBE DISCLAIMER**

Pioneer fluorescent fixtures are designed and CSA listed *only* for the fluorescent lamps as indicated on the fixture label. Pioneer cannot guarantee proper operation of any other lamp types installed, including LED tubes. This will void the original factory warranty and Pioneer will not be responsible for any costs or damages incurred as a result. It is the sole responsibility of the LED tube supplier to confirm compatibility with our ballasts.
